GUIDING YOUTH - THE PERSONAL TOUCH

Helping young people see the world as less impersonal and more welcoming is one of the most important ways in which Rotary serves youth worldwide. While Rotarians are sometimes urged to take the long view of youth service - striving to create a better society for youth to inherit tomorrow - they perform an equally important role by acting as mentors who help the young achieve involvement and full participation in the task of creating the best possible world here and now.

R.B.L.: Youth Activities (Vol. 6)

Service is a privilege - assume it;

Service is a challenge - meet it;

Service is a journey - complete it;

Service is a gift - accept it;

Service is a duty - perform it;

Service is a promise - fulfill it;

Service is a friendship - enjoy it;

Service is spirit - live it;

Service is a goal - achieve it;

Service is action - do it;

Service is vision - have it;

Service is the future - build it.

BUILD THE FUTURE WITH ACTION AND VISION.

THANKS BUNKY PEASE

Recently someone asked, "Where did the name for our club bulletin come from?" Thanks to Bunky, he found in our Board Meeting on August 30, 1922 - yes 1922, it was decided to call it the Rote-a-bit.
